About this plan

Aetna Medicare Eagle (PPO) is a PPO plan. This is a Medicare Advantage plan that does not cover prescription drugs. You can use in-network and out-of-network providers. You will typically pay more for out-of-network care. Please take a moment to review the following important information:

- **Primary care provider (PCP):** We require that you select a network PCP to help coordinate your care. When you enroll, we'll ask which PCP you have chosen. If you don't choose a PCP, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal.
- **Referrals:** Aetna Medicare Eagle (PPO) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your PCP in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services.
- **Helpful resources:** To find provider directories and other plan information, visit AetnaMedicare.com/H5521-330. For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at Medicare.gov/medicare-and-you, or get a copy by calling 1-800-MEDICARE (1-800-633-4227) (**TTY:** 1-877-486-2048), 24 hours a day, 7 days a week.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-844-509-6254 (**TTY:** 711). From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

Understanding the benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit AetnaMedicare.com or call 1-844-509-6254 (**TTY:** 711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Understanding important rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
