Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a contract with the State Medicaid Program. Enrollment in the plan depends on the plan's contract renewal with Medicare. For information on language assistance, alternate formats and nondiscrimination, please visit https://www.uhc.com/legal/nondiscrimination-and-language-assistance-notices. The healthy food and utilities benefit is a special supplemental benefit only available to chronically ill enrollees with a qualifying condition, such as diabetes, cardiovascular disorders, chronic heart failure, chronic high blood pressure and/or chronic high cholesterol, and who also meet all applicable plan coverage criteria. There may be other qualified chronic conditions not listed. You can see any doctor who accepts Medicare and your plan but costs may be lower with a network doctor. Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage (EOC) for more information, including the cost-sharing that applies to out-of-network services.
