Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a contract with the State Medicaid Program. Enrollment in the plan depends on the plan's contract renewal with Medicare. For information on language assistance, alternate formats and nondiscrimination, please visit https://www.uhc.com/legal/nondiscrimination-and-language-assistance-notices. The healthy food and utilities benefit is a special supplemental benefit only available to chronically ill enrollees with a qualifying condition, such as diabetes, cardiovascular disorders, chronic heart failure, chronic high blood pressure and/or chronic high cholesterol, and who also meet all applicable plan coverage criteria. There may be other qualified chronic conditions not listed. You can see any doctor who accepts Medicare and your plan but costs may be lower with a network doctor. Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage (EOC) for more information, including the cost-sharing that applies to out-of-network services.

*Dual Special Needs Plans have a $0 premium for members with full Extra Help (Low Income Subsidy). Depending on your level of Medicaid eligibility, costs may vary. **The most you may pay in a year for medical care covered by the plan. This information is not a complete description of benefits. Call 1-855-277-4716, TTY 711 for more information. Benefits, features and/or devices may vary by plan/area. Limitations, exclusions and/or network restrictions may apply. If your plan offers out-of-network dental coverage and you see an out-of-network dentist, you might be billed more. Network size varies by local market. The fitness benefit and gym network varies by plan/area and participating locations may change. The fitness benefit includes a standard fitness membership at participating locations. Not all plans offer access to premium locations. Consult your doctor prior to beginning an exercise program or making changes to your lifestyle or health care routine. The plan only covers hearing aids from a UnitedHealthcare Hearing network provider. Other hearing exam providers are available in the UnitedHealthcare network. OTC, food and utility benefits have expiration timeframes. Review your Evidence of Coverage (EOC) for more information. Routine transportation not for use in emergencies. A trip is one-way and roundtrip is two trips.
