About this plan

Aetna Medicare Enhanced (PPO) is a PPO plan. This is a Medicare Advantage plan that covers prescription drugs. You can use in-network and out-of-network providers. You will typically pay more for out-of-network care. Please take a moment to review the following important information:

- **Primary care provider (PCP):** We require that you select a network PCP to help coordinate your care. When you enroll, we'll ask which PCP you have chosen. If you don't choose a PCP, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal.
- **Referrals:** Aetna Medicare Enhanced (PPO) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your PCP in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Helpful resources:** To find provider directories, network pharmacies, and other plan information, visit **AetnaMedicare.com/H5521-686**. For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at **Medicare.gov/medicare-and-you**, or get a copy by calling 1-800-MEDICARE (**1-800-633-4227**) (**TTY: 1-877-486-2048**), 24 hours a day, 7 days a week.

Are you eligible to enroll?

To join **Aetna Medicare Enhanced (PPO)**, you'll need to meet the following criteria:

- Be entitled to Medicare Part A
- Have Medicare Part B
- Live in the plan's service area, which includes the following county:
  Washington: Spokane

Plan premium, deductible, and maximum out-of-pocket (MOOP)

Understanding out-of-pocket costs

- **Plan premium:** the amount you pay monthly to keep your health insurance active.
- **Deductible:** the amount you must pay for health care before our plan pays.
- **Maximum out-of-pocket:** the most you'll pay out of pocket in a plan year for covered care.

Out-of-pocket costs	
Monthly plan premium	$68 You must continue to pay your Medicare Part B premium.
Plan deductible	No in-network deductible $500 for certain out-of-network services Your deductible is what you'll pay before we begin to pay for services.
MOOP	$7,500 for in-network services $14,800 for in- and out-of-network services combined Once you reach the maximum out-of-pocket, our plan pays 100% of covered medical services. Your premium and prescription drug costs don't count toward your MOOP.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-844-509-6254 (**TTY:** 711). From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

Understanding the benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit AetnaMedicare.com or call 1-844-509-6254 (**TTY:** 711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding important rules

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.

Additional notes about payment and options

- Social Security will contact you if you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA). You'll have to pay this extra amount as well as your plan premium. You will either have the amount withheld from your SSA or RRB benefit check, or be billed directly by Medicare or the RRB. **Do not send your Part D-IRMAA payment to us**.
- Written EFT terminations must be received before the 1st of the month of the EFT transaction. EFT transactions will occur on the 10th of the month in the amount of the balance due.
- If you owe a late enrollment penalty, you can pay the penalty by EFT, mail or have it taken out of your SSA or RRB benefit check.
- People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people qualify for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at **1-800-772-1213 (TTY: 1-800-325-0778)**. You can also apply for Extra Help online at **ssa.gov/medicare/part-d-extra-help**.
- If you qualify for Extra Help with your Medicare prescription drug costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.
