Hello,

My name is Roman, and I'm here to help you navigate your Medicare coverage.

Starting January 1st of next year, your Medicare Advantage plan, AARP Medicare Advantage from UHC WA-16 (PPO), will no longer be offered in Pierce County.

This means we will need a new plan for 2027.

To help, I've reviewed the offerings from all insurance companies for the coming year and compared the available Medicare plans.

Humana Gold Plus H1036-321 (HMO) stands out as one of the best options, with benefits that include

- **Some of the lowest copays for medical services**
- **Specialist visits for just $20**
- **Annual dental coverage of up to $4,000**

And much more

A detailed description of the Humana plan is attached to this letter.

Here's what you need to do:

- **Sign the form in the two places marked with an X**
- **Make sure all fields highlighted in yellow are filled out**
- **Return the completed form in the enclosed prepaid envelope**

Your new Humana policy will take effect on January 1st of next year.

Please call me whenever you require support or have additional questions—I remain available to guide you.

Sincerely,

Roman Bogatchev
