SECTION 2 How to Change Plans

To stay in Aetna Medicare Eagle (PPO), you don't need to do anything. Unless you sign up for a different type of Medicare health plan or change to Original Medicare by December 7, you'll automatically be enrolled in our Aetna Medicare Eagle (PPO).

If you want to change plans for 2027, follow these steps:

- **To change to a different Medicare health plan**, enroll in the new plan. You'll be automatically disenrolled from Aetna Medicare Eagle (PPO). Remember, not all Medicare health plans cover prescription drugs. Also, be aware that for many plans, you can't join a Medicare health plan and simultaneously purchase a prescription drug plan.
- **To change to Original Medicare with separate Medicare drug coverage**, enroll in the new Medicare drug plan. You'll automatically be disenrolled from Aetna Medicare Eagle (PPO).
- **To change to Original Medicare without a drug plan**, you can send us a written request to disenroll. Call Member Services at **1-833-570-6670** (TTY users call **711**) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (**1-800-633-4227**) and ask to be disenrolled. TTY users can call **1-877-486-2048**. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty.
- **To learn more about Original Medicare and the different types of Medicare plans**, visit **Medicare.gov**, check the *Medicare & You 2027* handbook, call your State Health Insurance Assistance Program (go to Section 4), or call 1-800-MEDICARE (**1-800-633-4227**). TTY users can call **1-877-486-2048**.

Section 2.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2027, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2027.

Section 2.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into, or currently live in, an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

SECTION 3 Get Help Paying for Prescription Drugs

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare**. People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (**1-800-633-4227**). TTY users can call **1-877-486-2048**, 24 hours a day, 7 days a week.

How we guard your privacy

What personal information is — and what it isn't
By "personal information," we mean information that can be used to identify you. It can include financial and health information. It doesn't include what the public can easily see. For example, anyone can look at what your plan covers.

How we get information about you
We get information about you from many sources, including you. We also get information from your employer, other insurers, or health care providers like doctors.

When information is wrong
Do you think there's something wrong or missing in your personal information? You can ask us to change it. The law says we must do this in a timely way. If we disagree with your change, you can file an appeal. Information on how to file an appeal is on our member website. Or you can call the toll-free number on your ID card.

How we use this information
When the law allows us, we use your personal information both inside and outside our company. The law says we don't need to get your OK when we do. We may use it for your health care or use it to run our plans. We also may use your information when we pay claims or work with other insurers to pay claims. We may use it to make plan decisions, to do audits, or to study the quality of our work. This means we may share your information with doctors, dentists, pharmacies, hospitals or other caregivers. We also may share it with other insurers, vendors, government offices, or third-party administrators. But by law, all these parties must keep your information private.

When we need your permission
There are times when we do need your permission to disclose personal information. This is explained in our Notice of Privacy Practices. This notice clarifies how we use or disclose your Protected Health Information (PHI):

- For workers' compensation purposes
- As required by law
- About people who have died
- For organ donation
- To fulfill our obligations for individual access and HIPAA compliance and enforcement
